## Chennai Trade Centre

The ideal venue for a Business Event, Exhibition and Conference

**Chennai Trade Centre** was set up in 2001 by the India Trade Promotion Organisation (Government of India) and Tamil Nadu Industrial Development Corporation (Government of Tamil Nadu) as a joint venture. Spread over 25.48 acres, the Centre has three large Exhibition Halls and a Convention Centre.

The three **Exhibition Halls** extend over 10,560 square metres of air conditioned space, without any intermittent pillars or columns. They can be utilised for exhibitions, conferences, conventions, product launches, and for conducting trade, commerce and other industry-related events. Halls 1 and 2 are inter-linked by a large lobby, which has a passage with two rooms for the Organiser. Hall 3 is connected with a vestibule that leads to the Convention Centre's banquet hall. All the Exhibition halls and the Convention Centre are interconnected.

**Chennai Convention Centre's** facilities are of international standards and include a range of halls from 250 sq. ft. to 20,000 sq. ft. accommodating from 25 to 2000 delegates. The Convention Centre has two halls - A and B - with a total capacity of 2000 delegates each. It has a grand lobby area at the entrance, enhancing an equally large patio, landscaped with lush lawns and gushing fountains.
